Are you possibly interested in being the paid Programming Assistant (PA) for West Hall next year? (Your response will NOT affect your acceptance to the dorm.)

Yes                      No

Which of the dorm activities did you participate in?

Were the planned activities too much, about right, or too few? How could they be improved? What would you like to see done differently in the dorm next year?

Please describe the ways in which you have contributed to West Hall either to make it a better place to live or more science oriented.

Is there anyone currently living in the dorm whom you feel should not be considered for reapplication? If so, explain in detail.

Supply any additional information you would like about your residency in West Hall.
